Sisters, OR 97759

Dear Mr. Davenport:

The Forest Service does not object to the potential buyers, Rock Island Investments, LLC, proceeding with a re-zoning application for Parcel 2 of the Sisters Administrative Site. The Forest Service cannot sign an application requesting such a change while the property is in federal ownership. The property will continue to be used as a Forest Service Administrative Site until it is sold.

Sincerely,

HOLLY JEWKES
Forest Supervisor
