Annual City of Sisters weed abatement is about to begin

Weed abatement is a key step in getting lots in Sisters to be less vulnerable to wildfires. As you probably know, wildfires are one of the greatest risks to properties in and around the City of Sisters.

The City's Municipal Code limits heights of weeds within the City limits to a maximum of 6". The abatement dates established by the Code fall on May 15th and July 15th.

While it is permissible to mow weeds to achieve the required height, certain types of weeds actually thrive when mowed and should be hand-pulled; most notably the knapweed family.

For information about weed abatement, contact Eric Porter, Community Development Director at (541) 323-5219, or by email at eporter@ci.sisters.or.us.
