

# City of Sisters Construction Project

2015 Village Green Park Improvement Project

**Construction Cost: \$242,750**

**Funding: URA (Urban Renewal Agency) and OPRD (Oregon Parks and Recreation Department) 45% matching Grant**

**Construction Start Date: Wednesday, October 7th, 2015**

**PROJECT LOCATION:**  
Village Green Park.

Four 2-door/2 bike storage lockers will be added to provide temporary locker space for 8 bicycles (see sample drawing above).

The current electrical service will be replaced and improved to provide better service for large events hosted in the park (Folk Festival, Quilter's Affair, SPRD Community events, Fresh Hop Festival, etc.).

**PROJECT DESCRIPTION:**

A new restroom building with the addition of showers, both ADA compliant, will replace the existing building.

**PROJECT DURATION:**  
October - November 2015.
