

# City of Sisters Construction Project

E. WASHINGTON AVENUE & E. JEFFERSON AVENUE  
PARKING & PEDESTRIAN IMPROVEMENTS

Construction Cost: \$98,051.31

Funding: Urban Renewal Agency

Construction Start: Mid May 2015

Project Completion: End of July 2015

## PROJECT LOCATION

## PROJECT DESCRIPTION:

Construction of 6-foot wide meandering sidewalks and paved parking areas with ADA parking, on the north and south sides of Village Green City Park, on E. Washington Ave. and E. Jefferson Ave. The project also includes construction of curb, electrical trenching and conduit, electrical junction boxes, new street lights and drainage improvements.

## BEFORE IMPROVEMENTS

## AFTER IMPROVEMENTS

## PROJECT GOAL:

This project will improve parking, pedestrian and ADA accessibility at Village Green Park.
