### **6.0 – Purpose and Intent**

#### **6.1 – Zone Map Amendments**

Purpose: The purpose of this section of the code is to create a placeholder for map amendments, including those in place at adoption of this code and future changes. This chapter serves as a placeholder for ordinances to be located for reference for staff and applicants.

The procedures for completing a land use district map and text amendment are located in Chapter 4.7, not here in Chapter 6.

The map amendments are located in this section in chronological order based on adoption date.
