You don't often get email from opendoor@wvi.com. [Learn why this is important](#)

Dear Scott,

I am writing to you to get confirmation about the last decision that was made about the UGB. We received a letter stating that our Highway Property would possibly not be included in the Concept B option. And that we should email you if we had any questions. Then a couple days after receiving that letter we saw an article in the paper that seemed to say "No , the committee has decided not to consider the MMV property at this time. So I want clarification. We would like our property included as well we spoke with our neighbor to the west of us, Jean Hongel, who also wants to be included. Can you clarify if we are included?
