Section 41. TORTS. In no event shall the city be liable for damages for an injury to person, a damage to property, or a death, caused by a defect or a dangerous condition in a public thoroughfare, site, or facility, unless the city has had actual notice prior to the injury, damage, or death that the defect or condition existed and has had a reasonable time thereafter in which to repair or remove it. In no case shall more than \$500 be recovered as damages for an injury, damage, or death resulting from such a defect or dangerous place. No action shall be maintained against the city for damages growing out of such injury, damage, or death unless the claimant first gives written notice to the council within 30 days after the injury, damage or death is sustained, stating specifically the time when, the place where, and the circumstances under which it was sustained, and that he will claim damages therefor of the city in an amount which is specified. But in no event shall the action be started until 30 days have elapsed after the presentation of this notice to the council.

Section 42. SYSTEM DEVELOPMENT CHARGES.

(1) The purpose of this charter provision is to insure that new development bear the full cost of existing and future capital improvements affected by the development.

(2) The City of Sisters shall impose system development charges upon new development associated with public capital improvements, including connections to such improvements, to the extent allowed by State law and subject to any limitations provided by federal and state constitutions and the laws of the State of Oregon. System development charges shall include reimbursement fees to the City of

Sisters for the costs of increased usage of existing capital improvements by new developments. System development charges shall also include improvement fees for an equitable share of projected capital improvements required to increase the capacity of improvements associated with new developments. Applicants for new development permits shall pay system development charges determined in accordance with a methodology designed to allocate to new development the full cost of existing and proposed capital improvements to the extent associated with the new development. Payment of system development charges may be deferred at the discretion of the city to no later than issuance of a certificate of occupancy. The system development charges and the methodology for their determination shall be periodically updated to reflect amendments to the City of Sisters capital improvement plan and other relevant factors.

(3) The City of Sisters may waive system development charges for affordable housing provided by non-profit organizations. In exchange for a waiver, the housing shall be affordable for a period of fifty (50) years. Violation of this agreement shall require full payment of system development charges.

(4) As used in this provision, all definitions of terms shall be as defined by the laws of the State of Oregon, and, in addition, "development" means: The first establishment of a use involving the construction or the placing of structure upon a parcel of land that was not occupied by any structure prior to that event; or any construction, alteration or change of occupancy which increases the usage of any capital improvement or which creates additional demand upon existing capital improvements.

(5) If any part of this charter provision violates the Constitution of the United States, or the Constitution of Oregon, or the laws of either, it alone will be invalidate, and the remainder of this charter provision shall remain in force.

(6) The City of Sisters shall implement this charter provision within 180 days of its passage. (Ballot Measure 9-62, 1998).

Section 43. DEBTS. The city's indebtedness may not exceed debt limits imposed by state law. A city officer or employee who creates or officially approves indebtedness in excess of this limitation is jointly and severally liable for the excess. A charter amendment is not required to authorize city indebtedness.

Section 44. CONTINUATION OF ORDINANCES. Insofar as consistent with this charter, and until amended or repealed; all ordinances in force when the charter takes effect retain the effect they have at that time.

Section 45. REPEAL. All charter provisions adopted before this charter takes effect are hereby repealed

Section 46. SEVERABILITY. The terms of this charter are severable. If a part of the charter is held invalid; that invalidity does not affect another part of the charter, except as the logical relation between the two parts requires.

Section 47. TIME OF EFFECT. This charter takes effect November 5, 2003.

Getting Started

Types of Public Office

There are two types of public office in Oregon, partisan and nonpartisan.

Partisan Offices

A partisan office is an office for which a candidate may be nominated by a major or minor political party or as a nonaffiliated candidate. These include:

- County Commissioner (unless county home rule charter or ordinance specifies otherwise) and
- Precinct Committeeperson.

Nonpartisan Offices

A nonpartisan office is an office for which a candidate does not run under the name of any political party.

Offices may include:

County Commissioner (unless county home rule charter or ordinance specifies otherwise), County Clerk, Sheriff, County Assessor, County Auditor, County Treasurer, County Tax Collector, County Surveyor, Justice of the Peace, Mayor, City Councilor, Municipal Judge, Board Member, Director of a District, All Special District offices, any elected office of a metropolitan service district under ORS chapter 268, and any office designated nonpartisan by a home rule charter or ordinance.

For local offices not listed, please contact the local elections official to determine whether the office is partisan or nonpartisan.

Filing Methods for Public Office

Generally, candidates may file for public office by:

- submitting a completed candidate filing form and paying the required filing fee, if any;

or

- submitting a nominating petition containing the required number of valid signatures.

A prospective petition may be filed at any time. However, candidates need to allow enough time for signature collection and signature verification to be completed by county elections officials prior to the filing deadline.

See the Filing Requirements on pages 9, 11, 20, 22 and 24 for filing fees and deadline to submit completed forms.

Candidate filing forms can be submitted by:

- mail;

- fax;

or

- as a scanned attachment to an email.

Multiple Nominations to Public Offices

In Oregon, **candidates running for partisan office** may be nominated by multiple political parties. Candidates nominated by more than one party or by other nominating processes may select up to three parties or designations to be printed with their name on the general election ballot. A candidate may designate the order in which the parties or designations will be listed. However, if a candidate for partisan office is nominated by the political party of which they are a member, that party will be listed first, followed by no more than two additional parties. In addition, if a **nonaffiliated candidate** is nominated by individual electors or an assembly of electors, the designation of nonaffiliated will be listed first, followed by no more than two additional parties. When selecting political parties or other designations the following rules apply:

	Candidate is nominated by:	Information and default order listed on ballot:
Member of political party	Party of which the candidate is a member	The party of which the candidate is a member is listed first. It is followed by no more than two additional parties listed in alphabetical order, unless the candidate specifies a different order.
	Party of which the candidate is not a member	Not more than three political parties will be listed in alphabetical order, unless the candidate specifies a different order.
Not affiliated with any political party	Individual or Assembly of Electors	The nonaffiliated designation will be listed first. It will be followed by not more than two political parties listed in alphabetical order, unless the candidate specifies a different order.
	Any political party	Not more than three political parties will be listed in alphabetical order, unless the candidate specifies a different order.

Running for Multiple Offices

Candidates can file for more than one position as long as the offices are:

- not on the same district board;
- not a city office on the same ballot;
- not for more than one precinct committeeperson office; and
- not a lucrative office;

 An office is considered lucrative if a salary or other compensation beyond expenses is attached to it; it is created by statute or the constitution; its holder exercises part of the sovereign power of government; it is a matter of public concern; and the position is not temporary or intermittent.

Campaign Finance Reporting

Oregon campaign finance law requires each candidate to establish a campaign account and file a Statement of Organization designating a candidate committee not later than **three business days** of first receiving a contribution or making an expenditure. This requirement does not apply if the candidate is:

- A candidate for precinct committeeperson; **or**
- A candidate who:
 - ✓ serves as their own treasurer;
 - ✓ does not have an existing candidate committee;

and

- ✓ does not expect to receive or spend more than \$750 during a calendar year.

 The \$750 includes personal funds spent for any campaign-related costs, such as the candidate filing fee; however, state voters' pamphlet filing fees **are not included** when calculating contribution or expenditure totals.

 If at any time during a calendar year a candidate exceeds \$750 in either contributions or expenditures, the candidate must establish a campaign account and file a candidate committee not later than **three business days** after exceeding the \$750 threshold and either file a Certificate of Limited Contributions and Expenditure (if eligible) or file all transactions not later than **seven calendar days** after the threshold has been exceeded.

Candidates that do not meet the exemption criteria above must file a committee through ORESTAR or by completing and submitting the following paper forms:

 SEL 220 Statement of Organization for a Candidate Committee
and, if eligible

 PC 7 Certificate of Limited Contributions and Expenditures.

Committees must use ORESTAR to file campaign finance transactions unless the committee is eligible to file a Certificate of Limited Contributions and Expenditures.

For further detail on campaign finance reporting requirements, candidates should review:

 See the [Campaign Finance Manual](#) and the [ORESTAR User's Manuals](#) available at www.oregonvotes.gov.

Qualifications for Public Office

Qualifications for various public offices differ. Before filing for public office, a candidate should review the constitutional and statutory requirements for the office sought.

 See the qualifications for most offices provided in each applicable section of this manual.

However, qualifications for city or district office are governed by city charter or ordinance or district by-laws and are not provided. Contact the local elections official for more information.

- petition number;
- number of signatures required; and
- filing deadline.

All signature sheets must be approved in writing by the elections official before circulating. Failure to do so will result in the rejection of the signature sheets.

Required Signatures

County partisan candidate must have the lesser of either:

- 500 signatures;
- or
- 2% of the number of votes cast in the electoral district for president by members of the candidate's party.

Complete Filing

- 1 ensure each signature sheet certification is signed and dated by the circulator;
- 2 submit the signature sheets with Form SEL 338 Petition Submission – Candidate, Voters' Pamphlet to the county elections official for verification allowing sufficient time for the verification process to be completed prior to the filing deadline.

Candidate Filing Timeline

The 2020 Primary Election filing period is from September 12, 2019 to 5pm on March 10, 2020.

Minor Party Candidates – County

Filing Methods for a Minor Party Candidate

Minor political parties may nominate candidates for any partisan office, including federal, state, and county offices, as long as the party has been established within the electoral district and maintains ballot access.

A minor political party nominates candidates by convening a nominating convention that complies with party bylaws and state law. Candidates that are nominated by a recognized minor political party complete and file with the appropriate elections official the following:

Form SEL 110 Candidate Filing – Minor Political Party with the Candidates Nomination Certificate executed by a party officer and notarized.

Nonaffiliated Candidates – County

To qualify for nomination by individual electors or to conduct an assembly of electors, a candidate cannot be registered to vote as a member of any political party as of February 27, 2020.

Filing Methods for a Nonaffiliated Candidate

Candidates who are not a member of any political party may file for a partisan or nonpartisan office on the general election ballot by completing one of two processes:

→ Individual Electors

A nomination by individual voters involves obtaining a required number of valid signatures from registered voters

or

→ Assembly of Electors

An Assembly of Electors involves a gathering of registered voters in one place at one time to nominate candidates to partisan office.

Individual Electors

ORS 249.740

To be nominated by individual electors the candidate must obtain a required number of valid signatures from active Oregon registered voters in the district.

Prospective Petition

Prior to obtaining any signatures candidates must file the following forms to begin the signature sheet approval process:

SEL 114 Candidate Filing – Individual Electors marked Prospective Petition and designating circulator pay status

and

SEL 122 Candidate Signature Sheet – Individual Electors with all fields completed.

See Signature Sheet Requirements on page 27.

Approval to Circulate

After receiving the required forms, the elections official reviews for required information and if complete will provide written approval to circulate the prospective nominating petition that includes:

- petition number;
- number of signatures required; and
- filing deadline.

All signature sheets must be approved in writing by the elections official before circulating. Failure to do so will result in the rejection of the signature sheets.

Gathering Petition Signatures

Once the petition has been approved to circulate, but before collecting any signatures, a candidate must review with all circulators the legal requirements and guidelines for circulating the candidate nominating petition.

See Guidelines for Circulation on page 28.

Violations of certain circulator requirements may result in conviction of a felony with a fine of up to \$125,000 and/or prison for up to 5 years. ORS 260.715 and 260.993

After reviewing the legal requirements and guidelines for circulating the nominating petition, a candidate may begin gathering signatures.

Failure to comply with the legal requirements will result in rejection of those sheets.

A candidate is advised to obtain more than the required number of signatures to ensure the petition has a sufficient number of valid signatures.

Completing a Petition

Allow sufficient time for the verification process to be completed prior to the filing deadline.

Before submitting signature sheets for verification, the candidate must:

- ensure each signature sheet certification is signed and dated by the circulator; and
- sort the signature sheets by county, if required;

Signature Verification

To complete the petition process a candidate must file with the appropriate elections official:

Form SEL 338 Petition Submission – Candidate, Voters’ Pamphlet;

and

- the signature sheets that contain at least 100% of the required number of signatures.

The elections official reviews each signature sheet to ensure that sheets are sorted by county if required and that the circulator’s certification is sufficient. After reviewing the signature sheets the elections official tabulates the number of valid signatures contained on the accepted signature sheets.

If the elections official determines the petition does not contain the required number of valid signatures and the filing deadline has not passed, the candidate may submit additional signatures.

Assembly of Electors

ORS 249.735

An assembly of electors is a nominating convention of active Oregon registered voters gathered in one place at one time. The convention must be held in a 12 hour period to nominate nonaffiliated candidates to partisan office. The assembly is conducted by a presiding officer, and nominations are recorded by the assembly secretary in the minutes. The minutes also include the signatures of the assembly participants.

The date, time, and place of the assembly must be scheduled in coordination with the elections official to enable them to attend and supervise the nominating convention.

All signatures must be from active Oregon registered voters in the district.

Prospective Petition

To begin the assembly process, the candidate or presiding officer files:

Form SEL 115 Candidate Filing – Assembly of Electors signed **only** by the candidate.

Approval to Schedule Assembly

After receiving form SEL 115, the elections official reviews for required information and if complete provides written approval to organize and schedule the assembly of electors.

Determining Assembly Logistics

The candidate or presiding officer must coordinate with the elections official to:

- determine a mutually convenient time to conduct the assembly;
 - review assembly requirements;
 - provide final signature sheets for approval;
- and**
- file copy of published notice.

Publish Notice of Assembly

Once scheduled, a notice of the assembly of electors must be published at least once in a minimum of three newspapers of general circulation in the electoral district in which the assembly seeks to nominate candidates.

The notice must contain all of the following:

- time and place of the assembly;
 - office or offices for which nominations will be made;
- and**
- the names and addresses of at least 25 active Oregon registered voters who want the assembly held and who are eligible to participate.

File Notice and Signature Sheets

To receive final approval to convene the assembly, the candidate or presiding officer files:

- a copy of the published notice;

and

-  Form SEL 116 Candidate Signature Sheet – Assembly of Electors with all fields completed and if applicable designating at least two individuals as committee members with the authority to fill vacancy in nominations.

-  See Signature Sheet Requirements on page 27.

If the published notice is not filed timely with the elections official or does not meet the requirements, the assembly of electors will be cancelled. In coordination with the elections official the candidate or presiding officer may reschedule the assembly.

The notice must be published and filed with the elections official no later than the 10th day before the nominating convention. ORS 249.735(3)

Approval to Convene Assembly

Once the candidate or presiding officer files the required information, the elections official will review for completeness. If complete, the elections official will provide written approval to conduct the assembly of electors that will include:

- petition number;
- number of signatures required; and
- filing deadline.

All signature sheets must be approved in writing by the elections official before conducting the assembly. Failure to do so will result in the rejection of the signature sheets.

Obtain Affidavit for Proof of Publication

An affidavit for proof of the published notice is obtained from the newspaper. The affidavit must be attached to a copy of the notice and signed by one of the following:

- the newspaper's owner;
- editor;
- publisher;
- manager;
- advertising manager;
- principal clerk of owner/editor/manager;

or

- printer or printer's foreperson.

The affidavit is not submitted until the candidate or presiding officer files the completed petition with the elections official.

Convening the Assembly of Electors

The presiding officer is advised to have more than the required number of participants attend to ensure the minutes contain a sufficient number of valid signatures. Upon convening the assembly, the presiding officer must explain:

- the nominating convention is held in one day in one location and is completed within 12 hours or the process must begin again;
- assembly participants must be active Oregon registered voters within the electoral districts from which the assembly is nominating candidates;
- candidates may only be nominated for offices published in the notice;
- the candidate receiving the highest number of votes will be the nominee of the assembly for that office;
- only assembly participants may sign approved signature sheets;
- all signers on a signature sheet must be registered voters in the same county;

and

- once the required number of registered voters are present they must remain in the assembly location until candidates have been nominated, signature sheets are signed, and the convention is adjourned.

Vacancy in Nomination

If a vacancy in nomination occurs, it may be filled in either of two ways.

- The presiding officer may reconvene the assembly following the same rules as the original assembly. The assembly is considered the same assembly if the presiding officer and secretary are the same as during the original assembly.

or

- A committee designated by the original assembly selects a nominee to fill the vacancy. The committee is appointed by vote during the original assembly and is comprised of at least two persons as indicated on form [SEL 116](#). The committee only has the authority to select a nominee to fill the vacancy if the petition has the required number of signatures.

In either situation a certificate of nomination designating the nominee filling the vacancy must be completed and filed with the elections official.

The vacancy must be filled no later than the 70th day before the general election, August 25, 2020.

Adjourning the Assembly of Electors

After the assembly has completed the nomination process and selected the committee to fill vacancies, if any, the assembly is adjourned. The elections official collects all completed signature sheets and stamps each sheet under the last signature line signed to ensure no additional signatures are added. The signature sheets will be returned to the presiding officer.

Signature Verification

The presiding officer submits the signature sheets to the appropriate county elections official for verification allowing sufficient time for the verification process to be completed prior to the filing deadline.

Before submitting the signature sheets for verification, the presiding officer must:

- ensure each signature sheet certification is signed and dated by the circulator and
- sort the signature sheets by county, if required.

The county elections official verifies the original signatures against the voters' registration record and returns the certified signature sheets to the presiding officer of the assembly.

Completing a Petition

To complete the petition process the candidate or presiding officer must submit to the elections official:

Form [SEL 115 Candidate Filing – Assembly of Electors](#) with the Certificate of Nomination that has been executed by the presiding officer and secretary of the assembly and notarized;

The Certificate of Nomination may be executed and notarized on a copy of the [SEL 115](#) originally submitted. If executed and notarized on a new [SEL 115](#), all sections of the form must be completed.

- verified signature sheets that contain the required number of valid signatures from active Oregon registered voters;

and

- proof of published notice affidavit.

Signature Tally

The elections official reviews each signature sheet to ensure that:

- sheets are sorted by county, if required;
- the circulator's certification is sufficient; and
- no additional signatures were added after adjournment.

After reviewing the signature sheets, the elections official tabulates the number of valid signatures contained on the accepted signature sheets and notifies the candidate and presiding officer of the final tally.

Write-In Candidates

ORS 254.548

Oregon voters have the option of writing in the name of a candidate for any office instead of voting for a candidate printed on the ballot. Write-in votes are tallied together with a lump sum recorded for each office unless there is no candidate on the ballot, or the total number of write-in votes exceeds the candidate with the most votes.

A candidate seeking nomination or election to office by write-in does not complete any candidate filing forms but must qualify for the office and may be required to establish a campaign account and file a Statement of Organization designating a candidate committee.

 See the [Campaign Finance Manual](#) and the [ORESTAR User’s Manuals](#) available at www.oregonvotes.gov.

Prior to sending a notification to any person who is nominated or elected by write-in, the filing officer will conduct a review of the qualifications of the office. If the person who received the most votes does not qualify for the position, the office becomes vacant.

If any individual is nominated or elected by write-in votes, the procedures for accepting the nomination of office are explained in the following sections.

Notification

The elections official notifies the candidate by sending:

 Form [SEL 141 Write-In Candidate Acceptance](#)

Acceptance of Nomination or Office

To accept the nomination or office, the candidate completes, signs, and returns form [SEL 141](#) to the elections official.

Certificate of Nomination or Election

Upon receipt of the completed and signed [SEL 141](#) the elections official prepares and delivers a certificate of nomination or election to the candidate and if applicable, issues a proclamation of election.

 Deadline to Complete Write-In Process	Primary Election	General Election	District Election
Notification	June 19, 2020	December 4, 2020	June 18, 2021
Acceptance	June 29, 2020	December 14, 2020	June 28, 2021
Certificate	July 6, 2020	December 18, 2020	July 2, 2021

Vacancy

The procedures for the filling of vacancies in an elective public office or nomination are dependent on the office. A **vacancy in nomination** occurs when a candidate on the ballot becomes disqualified or dies (a candidate may only withdraw from the ballot after they have filed and up to the specified deadline for withdrawal). A **vacancy in office** occurs when the current office holder resigns, is recalled, becomes disqualified or dies.

For local elective public offices, the vacancy procedures are under the authority of the local jurisdiction and the Secretary of State, Elections Division does not generally provide advice or resolve disputes about those procedures. The Secretary of State, Elections Division has a role **only** in the vacancy procedures for **state offices**. These procedures differ depending on whether the public office is partisan or nonpartisan and also differ for specific offices within those categories.

A vacancy in office may occur at any time during the term of office, even before the person takes the oath of office or before the term ends.

- The processes for filling a vacancy are dependent upon the type of office and when the vacancy occurred, not why the vacancy occurred.
- Reasons for vacancies may include death, resignation, disqualification, or recall.
- ORS 236.320 provides that resignations for public office shall be in writing and filed with the appropriate filing officers.

The Oregon Constitution, Oregon Revised Statutes, and Oregon Administrative Rules have applicable sections regarding vacancies. The Oregon Constitution and Oregon Revised Statutes can be searched [here](#). The search can be narrowed by using the ORS General Index. Oregon Administration Rules are found [here](#).

Certification of Signature Sheets

After all signatures on a signature sheet have been collected, circulators complete the certification by signing their legal signature and providing the date when the certification was signed. A legal signature is defined as a signature possessing obvious and predominantly matching characteristics to signatures on file from a paid circulator’s registration, signatures in the Oregon voter registration file, or the signature on an official government document.

 If the circulator certification is not completed or determined to be insufficient the signature sheet will be rejected.

Prior to submission to elections officials the circulator may correct the following defects:

Circulator Signature Defects

→ earlier than all petition signers;  Unless the circulator and the only signer are the same person.	✓ re-sign and re-date or re-date and initial correction;
→ earlier than some, but not all petition signers;  Only those signatures dated on or before the date of the certification will be accepted.	✓ re-sign and re-date or re-date and initial correction;
→ partial or ambiguous; or	✓ re-sign and re-date or re-date and initial correction; or  Date must be provided in month, day, and year order if written in all numeric characters.

The following defects in the circulator certification cannot be corrected and any signature sheet submitted that contains one of these defects will be rejected:

Incurable Defects

- the original signature of a circulator has been crossed out, and a different circulator's signature is inserted;
 -  Does not apply if the original signature is that of an individual whose signature appears on the same signature sheet as a signer.
- two individuals sign and date as circulator; or
 -  Does not apply if the only signers and the circulators are the same people.
- white-out or other correction fluid or adhesive tape appears on the signature line.

Campaign Finance Reporting in Oregon

Candidate "Quick Guide"

Congratulations on your decision to run for office! We hope this guide provides tips and answers to frequently asked questions by first-time candidates.

More detailed information is available in the **Campaign Finance Manual** and the **ORESTAR User's Manuals** available at www.oregonvotes.gov. The Campaign Finance Manual explains what information is disclosed when reporting campaign finance transactions. The ORESTAR User's Manual: Statement of Organization and ORESTAR User's Manual: Transaction Filing explains how to file a statement of organization and campaign finance transactions electronically using ORESTAR.

Who Must File a Candidate Committee?

If you

- Serve as your own treasurer
and
- Do not have an existing candidate committee
and
- Do not expect to spend or receive more than \$750 during the entire calendar year (including in-kind contributions and personal funds)

Then

- ✓ Relax. No action is necessary because under Oregon Election Law you are not required to establish a candidate committee if you meet all of the criteria. **However, you must keep track of all contributions and expenditures because if you exceed the \$750 threshold you must establish a committee and open a dedicated bank account not later than three business days after exceeding the threshold. NOTE: Any fee paid for filing a candidate's statement for inclusion in the state voters' pamphlet is not included for the purpose of calculating the \$750 threshold. Additionally, you must either file a Certificate of Limited Contributions and Expenditures (PC 7) or all transactions that have occurred in the calendar year. See information below to determine if you are eligible to file a Certificate.**

- Do not expect to receive a total of more than \$3,500 or spend a total of more than \$3,500 for the entire calendar year

- ✓ File a Statement of Organization and establish a dedicated bank account – either by using ORESTAR or by submitting the paper form Statement of Organization for Candidate Committee (SEL 220)
- ✓ File a Certificate of Limited Contributions and Expenditures either by using ORESTAR or by submitting the paper form (PC 7) not later than seven days after first receiving a contribution or making an expenditure

- Expect to spend or receive more than \$3,500

- ✓ File a Statement of Organization and establish a dedicated bank account – either by using ORESTAR or by submitting the paper form Statement of Organization for Candidate Committee (SEL 220)
 - ✓ File campaign finance transactions using ORESTAR
-

What starts the whole process?

The decision to run for a public office (even if the office is not known), accepting contributions and making expenditures, whether from personal funds, campaign funds, or another person's funds to support your candidacy.

Once I become a candidate, then what?

You must register your committee with the Secretary of State not later than 3 business days of first receiving a contribution or making an expenditure if you are not exempt under the \$750 threshold law.

May I serve as my own treasurer?

Yes, you may serve as your own treasurer. The Campaign Finance Manual provides committees with information on candidate/treasurer responsibilities.

Must I have a dedicated campaign account?

Oregon law requires you to establish a dedicated campaign account if you are required to file a Statement of Organization. The account must be established in a financial institution located in Oregon that ordinarily conducts business in Oregon. One important reminder—when establishing your campaign account, the name of the committee and the name of the account must be the same.

Campaign Finance Reporting in Oregon (cont.)

Candidate "Quick Guide"

How do I file?

The key to complying with campaign contribution and expenditure disclosure requirements is to keep detailed records and file your transactions on time.

Electronic Filing

Oregon Election law requires that campaign finance transactions be filed electronically. The Secretary of State's Office provides an electronic filing system, ORESTAR, free of charge. There is a terminal located in the Election's Division office for public use.

What if I don't own a computer?

A Statement of Organization (SEL 220) and Certificate of Limited Contributions and Expenditures (PC 7) may be filed using the paper forms. If you are not eligible to file a Certificate, contribution and expenditure transactions must be reported electronically using ORESTAR. You may want to check with your local library or other public facilities in your area to see if they provide a computer terminal for public use.

When do I report contribution and expenditures?

Generally, the deadline for filing a transaction is not later than 30 calendar days after the date of the transaction. For committees active in an election, beginning on the 42nd day before the date of the election and through the date of the election, a transaction is due not later than 7 calendar days after the date of the transaction. The campaign finance reporting requirements and additional transaction deadlines are available in the Campaign Finance Manual. Information on how to electronically file transactions is detailed in the ORESTAR User's Manual: Transaction Filing.

Are my campaign finance transactions public record?

Yes, after the transactions are filed in ORESTAR they are immediately available to the public by accessing the Public Search link for ORESTAR.

Are there campaign contribution and expenditure limits?

No, Oregon does not have contribution and expenditure limits.

How do I discontinue my committee?

In order to discontinue your committee, you must: (1) Achieve a zero balance and (2) File a Statement of Organization discontinuing the committee.

Where do I get copies of forms and instructional manuals?

All publications and forms are available online at www.oregonvotes.gov, or may be requested from the Elections Division at 503 986 1518 or via email at orestar-support.sos@oregon.gov

Need additional help?

The Elections Division staff is available to answer any questions. You may:
