Self Initiated Calls Within the City of Sisters 2022 & 2023

In summary, we handled 31 more cases/ investigations in 2023 vs 2022.

We had over 400 more self initiated incidents in 2023 than in 2022.

Thefts and Vandalism (Property crimes are the most common)

Person crimes (Assaults and sex crimes) are the least common.

Overall, Sisters is a safe community, however we experience the same types of crimes as other communities, just in less frequency.

- Any questions??
