Subject: Sunset Meadows Planning Commission Public Hearing Schedule Update

Good Afternoon-

I wanted to provide a review schedule update. It was originally forecasted that the public hearing before the Planning Commission would be at the September meeting. This has changed. Due to multiple factors, including the schedule and number of agenda items currently before the Planning Commission and the need for additional application materials as requested, the public hearing is now scheduled for the Planning Commission meeting October 20. Your understanding is appreciated.

Thank you,
Matthew Martin, AICP
