Dear Mr Martin,

I am writing in response to the proposed Master plan called Sunset Meadows on Scenic HWY 242 between Hood Ave and Brooks Camp Road.

I live in Sisters and have been for 13 years.

I am watching all the new development that does not have our city in the forefront in my opinion.

I watched Laird get a loan and buy the property across from Best Western and now Laird has fired all its employees and is leaving town. The people developing to not appear to have OUR town as a priority ONLY making more money for themselves and those in higher income who can afford these homes/ condos/ apartments.

I expect our city govt to take a clearer and stronger stand on how to manage the future growth of our community and the areas surrounding. I expect that might begin with saying NO to this project and not get misled/bought/ manipulated into a different route, Thank you for your time.

Best,
Linda Wolff
