

Sisters Guide to Property Maintenance

1 Trees and Roadways

Trees on private property need to be trimmed up 14 feet over a public or private street to allow for unobstructed vehicular travel.

2 Trees and Sidewalks

Trees on private property should not overhang lower than eight feet over a public sidewalk or other pedestrian way.

3 Shrubs

Shrubs, trees, ornamental grasses, or any other vegetation should not encroach upon a sidewalk or roadway.

4 Debris

Accumulation of debris, garage and junk is prohibited.

5 Parking

Parking is prohibited on any public street or right-of-way for more than seven consecutive days. A disabled vehicle is only allowed to park on the street for 24 hours.

6 Sidewalk

Property owners adjacent to a sidewalk are required to maintain the sidewalk in good repair and free from obstructions; including snow removal.
