

# U.S. 20 at Locust Street Project Update

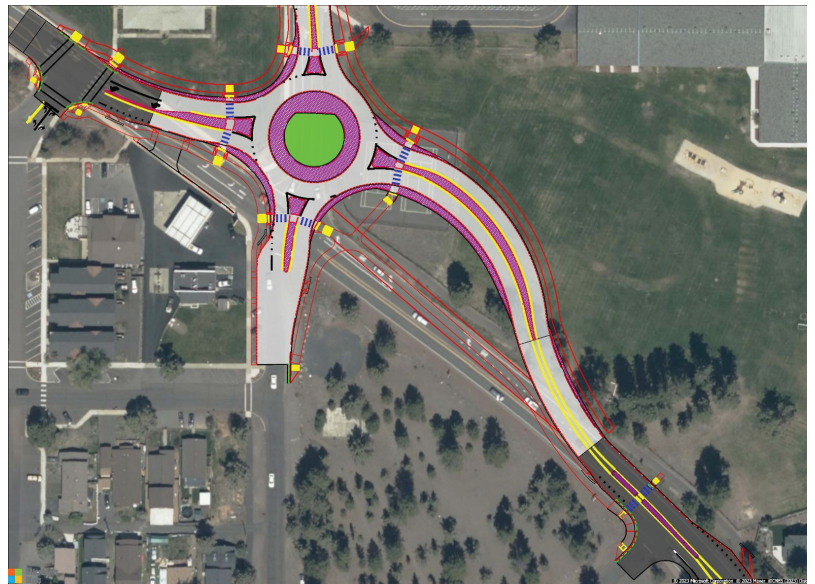

## Construction Timing

March - September 2024

## Project Elements

- Single-lane roundabout at U.S. 20 and Locust St.
- Multi-use path connections
- Traffic separator and crosswalk at Jefferson Ave. (Jefferson Ave. to be right- in/right-out only)
- Variable message sign to support use of alternate route

## Construction Impacts

### **March - May**

#### **North side roundabout construction**

- N. Locust St. closed between U.S. 20 and E Cascade Ave.

### **June - August**

#### **South side roundabout and Jefferson Ave. construction**

- S. Locust St. closed between U.S. 20 and E. Washington Ave.
- Closures of Hood Ave.
- Closures of Jefferson Ave.

Join ODOT for a drop-in community open house to learn more about the project and how future construction impacts may impact you.

**WHEN: Monday, March 4th, 3:30 - 5:30pm**

**WHERE: Sisters Elementary School Gymnasium**
